Saturday, Nov. 4 - Sheep Herding!

We are excited to announce that our fall sheep herding event, again led by the friendly and skilled trainers of On the Lamb Herding, will be held in the beautiful Santa Rosa Valley Park in Camarillo.

Open to herding dogs of all breeds, experienced or first-timer, this event is guaranteed to be great fun for both owners and their happy herders.

Bring a lunch and enjoy the shady picnic area with your dogs, or watch the others releasing their inner herder from the comfort of the covered bleachers.

This event will be particularly special because it's an opportunity to obtain new titles for your dog! AKC Herding Instinct Testing and Farm Dog Certifications will both be offered.

Sponsored by the Bearded Collie Club of Southern California
